Online Classes

One of the major shifts that have occurred in the week and months that we have all been in the grip of Covid- 19's pandemic and subsequent lockdown is the move of educational institutes to go online for their interaction classes and mentoring the students in all area of discipline.

The Teachers are working very hard using the different means like screen-share, chat, white board etc. to engage and entice students to converse between themselves and with the faculty to bring out enhanced learning experience.

Leadership Talk

Mr. Dilip Kumar, Principal, Star Public School attended as a Key Speaker to 148th Session of Leadership Talks.

"Leadership Talks" is a series of virtual & offline discussions among the various stakeholders to discuss the NEP 2020. This series is a very thoughtful idea and designed to educate and take suggestions from all stakeholders to effectively execute National Education Policy 2020.

Leadership Conclave

Mr. Dilip Kumar, Principal, Star Public School attended 3 day Leadership Conclave in Goa organized by **eduExcellence**.

The conclave was meant for the discussion of the frameworks and school standards and to contextualize it with the help of some case studies and also creating a customized plan for school as per the New Education Policy under the guidance of Prof. Harish Chaudhury from IIT Delhi.

Other 2 resource persons were

It was indeed a great opportunity for learning from Principals and Educationists from all over India and abroad which includes eminent educationists viz. Dr. Anurabh Singh from Nehru World School and Mrs. Gunmeet Bindra, Former Principal, Welham Boys school Dehradun.

THE NEXT LEVEL OF EXCELLENCE

TEACHERS

Keeping the teachers updated and relevant

The 'National council for teacher education' would soon be out with the '**National professional standards for teachers'. (NPST)**. We would look at the similar systems and What would be the expectations from them and the competences required..

1. Understanding the guidelines and standards.
2. Designing the professional development of a teacher.
3. Career management & progression

PEDAGOGY

From 'content lead' to 'enquiry driven'

By 2023, NCERT would give the new **National curriculum framework for school education (NCFSE)**, all aspects of curriculum and pedagogical frameworks will be revamped, which then have to be broken down into transaction mechanism by schools. Only those schools where teachers will play an active role in the process will be able to implement in its true spirit.

1. Creating a process for such pedagogical changes.
2. How to make teachers an active part of the change.

ASSESSMENT

From 'memory based' to 'competency based'

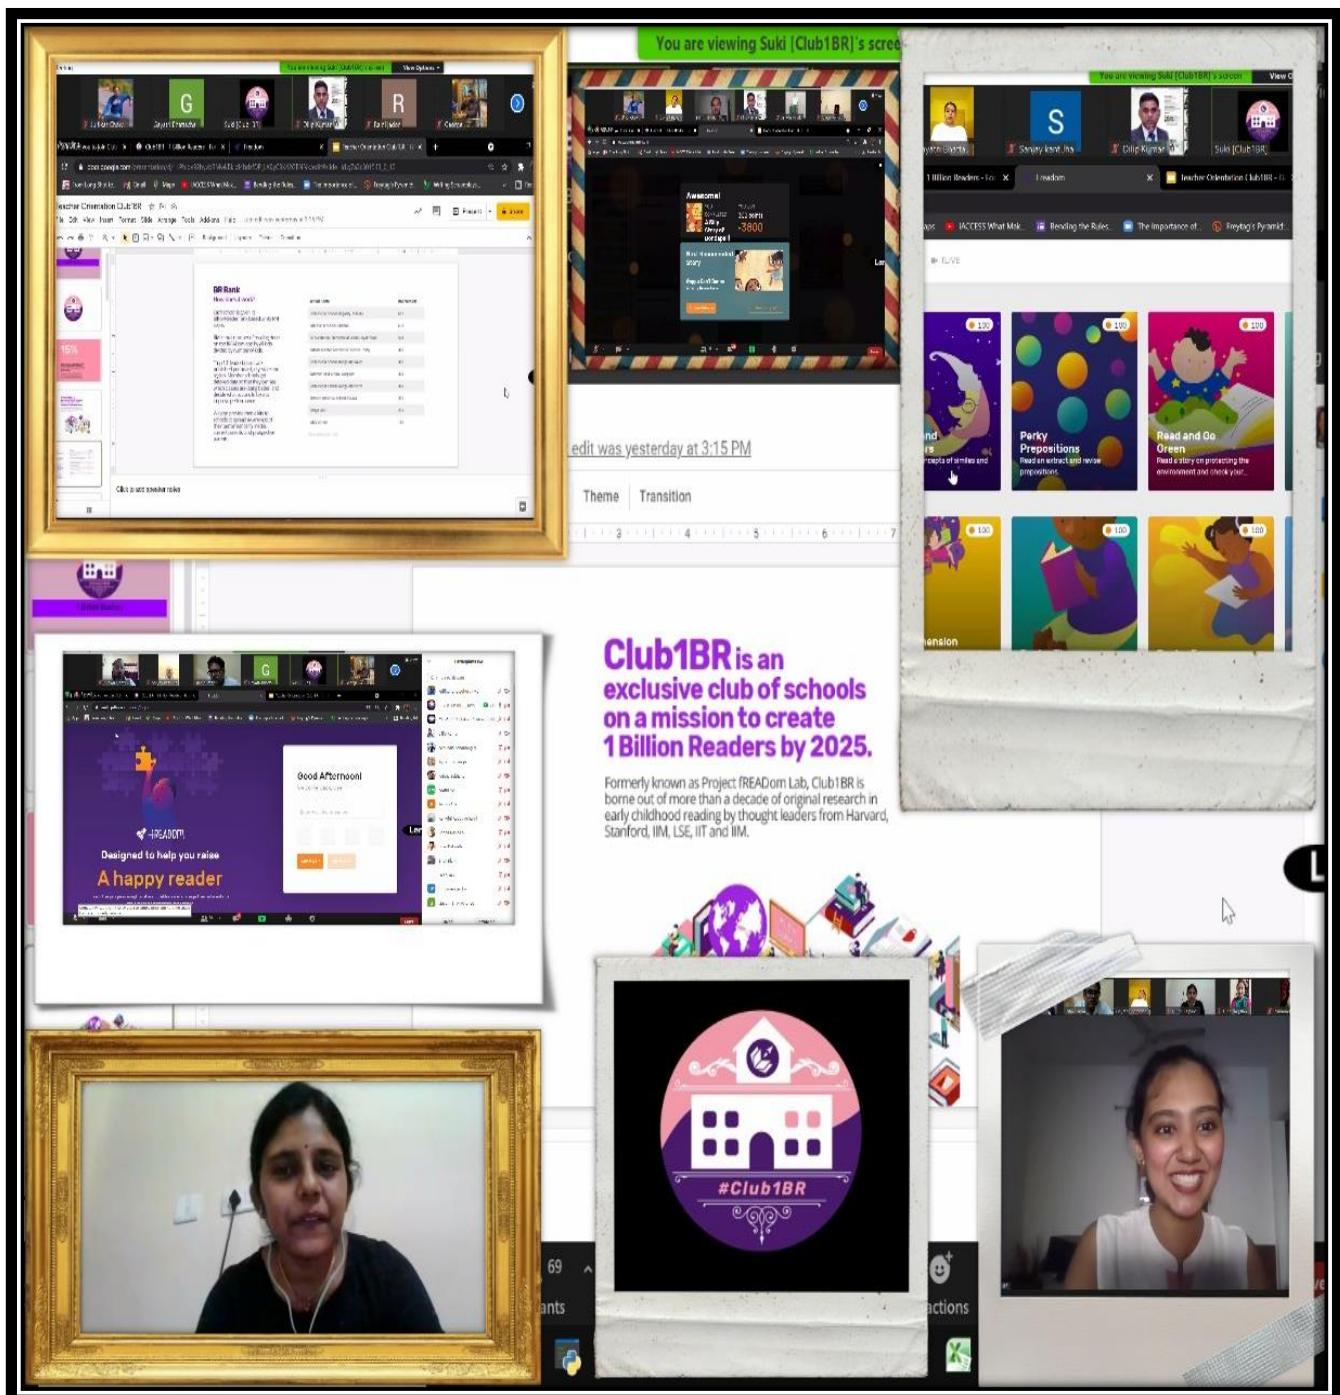

The norms, standards and guidelines of student assessment by **National Assessment Centre (NAC)** will include 'Self assessment' & 'Peer assessment' as well. It will take a 360° training to embed them into the current process.

1. Embedding self assessment.
2. Embedding peer assessment.

1 Billion Readers Club

Reading, being a powerful learning experience, is the key to children's early success. With the motive to enhance the reading skills, their vocabulary and to revive the diminishing interest among the students the BRC club has formed the reader's club .The mission is to raise 1 billion readers on the platform by 2025.

Bhumi Eco Champs

When it comes to environmental consciousness, today's schools play a pivotal role in ensuring our children learn and grow up to be responsible citizens.
